Dear Parents/Guardians,

The purpose of this letter is to provide an update to all families as we eclipse the midway point of the 1st quarter. The first few weeks of school have been extremely successful as we continue to provide in-person learning for students. I want to thank all students, staff, community members and school board members that have contributed to this success.

Student progress reports were sent home last Friday. Please contact the school if you are concerned with your child's grades so far.

Parent teacher conferences will take place on October 6th/8th from 3:30-8:00PM. Please call the grade school office to schedule an appointment with your child's teachers.

The following changes have recently been made to the district's original Return to Learn Plan...

- The 2:00 dismissal schedule will continue until January 5th, 2021.
- Students will begin using the playground structures in small groups beginning October 5th, 2020.
- The 1st quarter assembly (Oct. 21) has been postponed.
- The Halloween parade/parties have been cancelled. However, students may wear their appropriate costumes to school that day if they choose.
- The Veteran's Day assembly (Nov. 11) will be attempted virtually this year.
- Grandparent's Day (Nov. 20) has been postponed.

If you would like to discuss these changes in detail, please feel free to contact me at the school at your earliest convenience.

Once again, the district is extremely thankful for the support it has received from all families and community members. We will continue to strive to provide the very best education possible for our students during this pandemic.

Sincerely,

Mr. Chad Gripp
